

London Freight Club elects its first lady chairman

At the February luncheon of the London Freight Club, Christine Nichols FCILT, FRSA, founder, shareholder and director of Atlantic Pacific Group Ltd, was greeted by London Freight Club members as the new chairman of the club.

Christine, known to most as Chrissy, started work at 15 years old and has nearly 50 years' experience in the logistics industry, having worked for importers, exporters, freight forwarders, NVOCCs and shipping lines in the UK and internationally.

Chrissy was the first woman to become a member of the London Freight Club 10 years ago and became vice chairman of the club in February 2022.

Chrissy said: "I am immensely proud to become chairman of the London Freight Club in its 70th anniversary year.

"As the first woman to hold this position, I am looking forward to encouraging many more women to join the club and to raise the profile of women in general within the logistics industry."

About the London Freight Club

The London Freight Club dates back to 1952/53 when it was formed as a club for executives within the liner industry. Today it has grown into a well-known vehicle for members of the shipping and freight industry to network within a pleasant social atmosphere.

Choosing to stay focused on the good of the industry and its membership, the LFC offers a forum for its members to share the wisdom of hundreds of years collectively in the freight industry.

Honorary Membership for Robert Keen

In recognition of his lifetime of service to the international freight industry and his retirement from the role of BIFA Director General, long-standing London Freight Club member

Robert Keen was conferred Honorary Membership during the March luncheon.
